

# Hear What Silent Beacon Users Have to Say

“

I'm a single woman and the Silent Beacon device and app make me feel so much safer going out alone, especially at night.

—Christina Sharp, Single Woman

■■■

The sense of security and the feeling you get knowing this device can alert any of your loved ones of an emergency is one of the best investments I've made.”

—Ashley Marku, College Student

■■■

Our business purchased three Silent Beacon devices for use in our HR department. With the ever-present threat of workplace violence... we felt it prudent to equip our human resources professionals with a tool to guard their safety. Silent Beacon devices offer peace of mind to our human resources professionals.

—Joel Ham

Human Resources Loss Prevention Manager

■■■

My service dog carries the Silent Beacon in his vest. Should I fall, he will present the unit to my chest and head area for easy access when I need it. Thus it will be easy to access at all times.

—Jane Zilka, Service Dog Owner

“

# ALWAYS FEEL SAFE

The Silent Beacon emergency alert system helps you instantly connect with loved-ones or emergency personnel in a life alert emergency situation at the push of a panic button. Having two approved US Patents, the Silent Beacon when connected with our safety app provides users with the flexibility to alert loved ones or emergency personnel in a life alert situation.
